

New Photo-Catch-Release Format for the remainder of the 2018 season

The winner of the tournament is determined by the total combined length of 2 Redfish.

The redfish can be any length (No Slot), the longer the better. You may enter as many redfish as you want during tournament hours. Your 2 longest fish will total your score in inches. At least one member of your team must be present at the Weigh-In to receive any prizes or points.

1. All redfish must be caught according to the rules of the tournament.
2. Redfish may not be held in livewell at any time, redfish must be immediately photographed and released alive. Photos shall be immediately texted to tournament headquarters
3. Redfish must be photographed on the official measuring device with your team ID Badge in the Photo. The entire fish and badge must be in the measurement photo with the nose of the fish touching the end block. Photos should be taken straight on and not angled. Photos taken on an angle will be adjusted for length.
4. Receive your measuring device at the Captain's meeting, you will pick up your Team ID Badge the morning of the Tournament.
5. To enter a fish you must text 3 photos-
 1. Measurement Photo (described above)
 2. Posed Photo- One or more members of your team holding fish horizontally
 3. Release Photo- Photo of fish in the water being released
6. **All Three Photos must be texted to the Official Flatsmasters Weigh-In number- 941-210-0111 as soon as fish is released. This is not a voice number- do not call, no one will answer It is highly recommended that you save this number in your phone. Text all 3 photos plus your Team Number and Name as well as the length of the fish. You will receive an automated reply immediately, within a couple of minutes you will receive a confirmation from tournament headquarters. That's it! Your fish is entered and will be waiting for you at the Weigh-In Ceremony.**
7. You can enter as many fish as you like- but once you have entered 2 fish only send photos of fish that upgrade your smallest fish.
